

2009 in Review

Prophets James & Tracy Thornton

We saw many challenges and struggles in 2009, and as Paul wrote in 2 Corinthians the 4th chapter, though we were hard pressed on every side, we were not crushed. Thank you Jesus! 2009 gave us a whirl, but we held on to God and through it all, we had some tremendous experiences:

- We experienced a greater level of intercession with praise reports of healings, breakthroughs, and deliverance.
- We experienced the financial faithfulness of God in the face of economic downturn.
- We experienced the joy of giving and as a result experienced the gift of increase.
- We experienced growth in the ministry and expansion of our foundation.
- We experienced the benefit of seasoned spiritual connections and the budding of new ones.

As we look forward to 2010, we do so with great anticipation and expectation not of what God will do for us, but rather the excitement of knowing Jesus with a deeper passion and greater fire.

RKM Effective & Fervent Fast

We will begin our annual 21-day fast on January 4th through January 24th. During this time, we will commit to eating fruits, vegetables, grains, legumes, fish, and drinking water. We are fasting to see God move mightily in 2010 in the following areas:

1. Healing emotionally, spiritually, physically, and socially
2. Experiencing more of God's presence in our daily lives
3. Strategies to reach the lost and unite them with Christ

You are invited to join us in the fast and connect with us through the RKM Bible Study as well as our Effective & Fervent Prayer ministry.

2010: A Year of Healing

emotional • spiritual • physical • social

1 Peter 5:6-11

The Lord has spoken and confirmed with us that 2010 will be a Year of Healing. During this year, we are going to experience new dimensions of RESTORATION, CONFIRMATION, STRENGTHENING and ESTABLISHMENT. As a matter of fact, we believe and have seen evidence that many of you are already in the process of receiving this impartation and manifestation of healing. Do you have the faith to believe, because God has the grace to deliver!

Over the next several weeks, we will be sharing the rich milk and tender morsels of meat that God has given us regarding this passage of scripture and we believe it will deliver you and catapult you into your year of HEALING. There are many ways you can receive. If you live outside of the Columbus, Ohio area, you can join us LIVE on www.blogtalkradio.com/raphakingdom at 2pm EST each Sunday in January. Are you in the Columbus, Ohio area? Connect with us in person! Contact us for time and location information. You will also be able to download copies of our study notes for individual study.
